

Rome Valley Vineyards

It's the 1920's and Molly McGuire, one of the last San Francisco's golden era wealthy widows has passed away. Her niece and famous actress Wilhemina Bergen has invited you to the Rome Valley Vineyard Estate for the reading of the \$80 Million Dollar Will.

The sounds of Ragtime Jazz will surround the vineyard. Champagne glasses will be overflowing with unthinkable "prohibition drinks" while laughter will ring through the air.

Our evening will include cocktail hour and 1920's style Buffett Dinner, and of course.....

A MURDER!
